In the spirit of Valentine's Day, donate jars of peanut butter & jelly.

With the **price of peanut butter skyrocketing over 30%** in the past year, these nourishing items are in high demand.

How can you help?

There are a number of ways to get involved and help us spread the love to our neighbors in need...

Spread the love by liking us!

Throughout the duration of the campaign, ShopRite will donate a jar of peanut butter or jelly for every new Facebook like.

And visit our [facebook.com/philabundance](https://www.facebook.com/philabundance) for information on entering a raffle for a \$500 US Airways* voucher or a 7-night stay in the Caribbean with Elite Island Resorts!

Drop off a jar of Peanut Butter or Jelly!

Stop by one of our locations between 8:30am-3:00pm with your donation, which will go directly to helping those in need, and you'll have another chance to be entered into the Caribbean vacation raffle.
